

### ABOUT

Flash™ is a 40 wt. polyester reflective thread that was designed to reflect strongly under bright lights at night. Ideal for use in safety garments, clothing, accessories, or wherever a reflective stitch is desired.

Available 8 solid colours in 137m (150yd) spools.

---

### APPLICATIONS

Use Flash™ for machine embroidery, safety garments, clothing and accessories worn at night, pet accessories, cosplay costumes, decorative stitching, art quilts and crafts and add secret works in your quilting projects.
