

ABOUT

GlaMore™ is a 12wt rayon thread with one strand of metallic woven through it. Available in bold colors designed to show off, GlaMore™ is perfect for adding texture and shimmer. This thicker 12wt thread is designed to glide smoothly through the eye of a sewing machine needle. Use it to embellish any projects where the thread color and stitching are the star. GlaMore™ is available in 40 colors in 274m (300yd) spools.

APPLICATIONS

Ideal for embellishment, embroidery, decorative stitching, thread painting, quilting, serger loopers, bobbin work, appliqué, couching, tassel making, and any other decorative purpose.
