

HINTS & TIPS

Rinse 'n Gone™

WONDERFUL[™]
SPECIALTY THREADS

ABOUT

Rinse 'n Gone™ is a 40wt washaway polyester that can dissolve with a just spritz of room temperature water. This practical thread is perfect for fabric, ease stitching or items such as zippers or pockets that need to be temporary placed.

Available in 183m (200yd) spools.

APPLICATIONS

Use for stabilizing an area for embroidery or quilting with no pins and puckering. Also good for positioning zippers or pockets, and anything that is temporary placed. Perfect for basting, as you never have to remove any basting stitches.

THREAD

40wt - Washaway Polyester

Finish: solid matte

RECOMMENDED NEEDLE SIZES

Machine:

- 80/12 topstitch

- 80/12 nonstick

Hand:

- #10 sharp

USES

Ideal for basting hems, positioning zippers or pockets, temporary placements, and simple trapunto techniques. If you have an area where you plan to densely quilt, Rinse 'n Gone™ is an ideal product for securely basting the area. When quilting is complete, use with room temperature water and your thread will disappear.
