

Valentine's Day Wool Bunting

You will need:

- 1 WonderFil Merino Wool pack Fat 1/32 in the colour Red
- 1 WonderFil Pre-Cut Wool Circle Applique Pack 7/8" in the colour Red
- 1 spool of Ellana (12wt, wool thread) in the colour Rhubarb (EN21)
- WonderFil Fusible Applique Tacks (3/8")
- 5 feet of ribbon or a strip of fabric

Instructions:

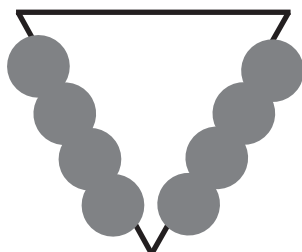

Use the triangular template to cut out 6 triangles from your wool. You can fit 2 triangles on each piece of wool!

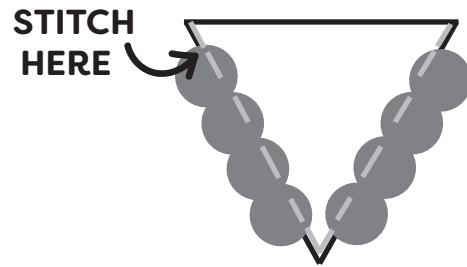

Now get out your wool circles! Cut them in half so you have 2 sections with 4 circles each. Then add an applique tack onto each circle. Apply the tack fusible side down, cover it with the parchment magnifying glass, and iron it into place. Then use a pin or sharp edge to score the the tack, and peel the paper off.

Now you can place your circles along the sides of your triangles. Be sure the applique tacks are between the triangle, and your circles. Iron into place.

Then sew along the edges of the triangle to secure everything into place. Using Ellana in the needle and bobbin.

Now you can place your flags along your ribbon or fabric. And use the applique tacks to secure them into place. Then sew 1/8" in front of the triangle's edge. Sewing from the top of the ribbon, and being sure to catch the top of the flags as you sew.
